

PRODUCT TECHNICAL SHEET

Product:

CARTYBOX line

Description:

Rectangular containers with separate lid

Functional Properties:

Hermetic

Reusable Stackable

Characteristics and utilisation:

Container for food contact

Food container to be stored in low temperatures

Food container for direct utilisation from freezer to

microwave

Food container dish-washer safe

Polypropylene

Temperature utilisation:

-20 /+120°C

Precautions:

Material:

- Do not use it to heat oil

- Do not use it in traditional ovens

- Slightly lift the lid to heat the content in

microwaves

- Do not put it in contact with acids or solvents

Food use:

Raw materials used to the fabrication of our

products are certified for food contact

Dimensions and capacities:

see appendix 1

Packaging:

see appendix 2
